

CREGALINK – FAQ'S

For new users:

Credit Guarantee's CregaLink gives you immediate on-line access to your policy. This unique system has been specifically designed to

- eliminate time-consuming paperwork
- increase your flow of policy related information
- reduce time spent policy administration
- and save costs

With a click of the mouse, you are logged onto our policy administration system. The real beauty of the system is speed.

You can obtain credit cover almost instantly on known debtors; update your current policy status or even access buyer details on local and foreign company debtors.

Strict confidentiality is an intrinsic part of Credit Guarantee's operation. We make use of L@wtrust digital certificates to ensure that access via CregaLink is restricted to authorised personnel only. Our screening process forms part of our Charter with Entrust. Kindly note that in terms of L@wtrust requirements, the digital certificate issued to you will be renewed annually. If your certificate has expired please contact the CregaLink helpdesk: cregalink@cgic.co.za.

For added security please do not give out your user name and password as this gives access to CregaLink from any pc at any time.

CregaLink is available weekdays from 7am until 6pm at no cost to you however CregaLink is not available on weekends and public holidays. There are charges levied on 1 or 2 day responses, kindly contact your underwriter for assistance

What facilities are available to reduce my policy administration?

- Check on buyers
- Apply for new credit limits on line
- Get access to current and historical credit limit applications
- Submit declarations
- Obtain instant information on policy status (Policy Schedule)
- Automatic underwriting
- Lodge a claim
- Accept proposed settlement of claims
- Obtain status of new, pending and settled claims

What are the minimum requirements to access Cregalink?

Please note that CregaLink is optimised for Internet Explorer 8 and above, Mozilla Firefox 12 and above and Safari 5.1 and is best viewed in a minimum screen resolution of 1024 X 768 pixels.

Please note:

Various alternative options exist to upgrade and/or install the latest versions of internet browsers from a number of internet service providers (ISP's)

Supported platforms are: Windows XP and higher, Tablets: IPAD iOS 6 and higher

Certificates can be installed on IPADs, (any of the three versions) provided that you have iOS 6 and higher however certificates cannot be installed on other tablets at this stage.

How do I get started?

Step 1: Ensure that you meet the minimum requirements?

Step 2: Email Credit Guarantee all the information stated below

What information do I need to email to Credit Guarantee?

Email Credit Guarantee the following details of the user to cregalink@cgic.co.za:
