- A court ordering that your insured buyer be placed under supervision.

BASIC POLICY STRUCTURE

Buyers covered: No buyers may be excluded; you offer your entire debtors book for cover.

Premium: Fixed amount payable monthly in advance by debit order, which will be reviewed annually.

Insured percentage: The percentage of the insured debt that will be paid by Credit Guarantee in the event of a loss.

Early settlement of a claim option: A claim under protracted default, will be due for payment six months after the due date. An earlier settlement of your claim (up to three months) is advisable subject to a maximum claims value and a small reduction in the insured percentage.

Non qualifying loss: The amount that will determine whether you qualify for a claim or not.

Continuity bonus: A percentage of premium will be refunded from the end of the second insurance year; depending on the overall claims performance and the duration of the policy.
